

## CMC GROUP HISTORY

Guangdong Chengming Chemical S&T Co., Ltd. was founded and invested by Cheng Ming (H.K.) Limited (Old Name: Hongkong International Paper Chemicals S&T Co.Ltd.) and it sets up 3 production Bases and 1 oversea branch;

2003 Dongguan Longteng Industrial  
2013 Nantong Tenglong Chemical S&T  
2017 Guangdong Tenglong Chem S&T  
2018 Cheng Ming Chemical (Thailand)

The company is a modern high-tech papermaking chemical enterprise specializing in the production of AKD neutral, alkaline sizing agent, surface sizing agent and dry strength agent for papermaking as well as providing technical services (providing total solution service), with the production of bactericide, retention aid agents, coating aid agents and sewage treatment agent as secondary businesses.

Chengming Chemical constructed factories with a high starting point, high-profile design ideas, and equipment. The company has passed the ISO9001 quality management system certification and is coupled with professional quality management team to guarantee good quality and stability of the products and ensure to provide customers with first-class products.

Chengming Chemical has more than 500 employees and has set up a well-equipped and strong R&D center to develop specific products according to different needs of customers.

With over 15 years of effort, the company has been recognized by the market and we will keep pace with the times, struggle to technological innovation and continue to enhance our core competitiveness. We will adhere to the principle of customer-oriented, and create greater value for our customers with excellent quality and first-class service!

## CMC (THAILAND) AT A GLANCE

In the direction of offering limitless solutions to papermaking industrial, CMC (Thailand) was established in 2018 to focus on developing an extensive range of colorants to expand our service areas that can fulfill the industrial's requirements. We are building on the steps toward to the most comprehensive paper chemical company.

CMC (Thailand) started in order to promote sales and to research the requirements of customers apart from China, so that we can more vigorously answer back to the market.

We offer various types of dyes and pigments together with CMC's high-quality AKD Neutral, Alkaline Sizing Agent, Defoamer, Wet Strength Agent, Coating Latex as well as Bactericide, Retention Aid Agents, Coating Aid Agents and Sewage Treatment Agent.

We are totally committed to providing our valued business partners with quality products and solutions that match their need in every aspect.
